Dear Sir:

Please note that the spelling of the second inventor's last name as recited in the Application Data Sheet filed with the patent application is incorrect. In particular, the second inventor's last name should be "Sogawa" rather than "Sougawa." This error is a transliteration error. The correct spelling of the second inventor's last name is properly noted by the second inventor's spelled name and actual signature on the accompanying "Combined Declaration and Power of Attorney" and has been duly noted on the enclosed Corrected Application Data Sheet.
